## Sponsorship Opportunities

Bubbles and Brunch is a sparkling celebration of bubbly drinks, brunch, and purpose.

Your sponsorship makes sure that the last days of our patients' lives can still be some of their best. Because of you, we can offer excellent and expert care to families who need hospice, bereavement, and palliative services in Benton and Franklin County.

All event sponsors will be recognized in the following ways:

- ✨ Sponsor recognition in printed program
- ✨ Recognition on PowerPoint during the event

- ✨ Logo on the Bubbles & Brunch event website
- ✨ Branded items provided by you to be included in swag bags
- ✨ Social media recognition on our social channels

Below are the available sponsorship options and their unique recognition opportunities.

*NOTE: The tax-deductible portion of a sponsorship payment is limited to the amount exceeding the fair market value of any goods or services received. The fair market value (FMV) of reserved seating is listed for informational purposes only.*
